"Read" Sam"

SAM

INT. CHOC SHOP

Sam is working behind counter with a guy, Billy.

A Customer comes in.

SAM

Welcome to the Choc Shop! It's like chocolate graduated from chocolate university with a PhD in deliciousness!

CUSTOMER

Everything looks so good. Chocolate cupcakes. How are they?

Sam leans forward.

SAM

How are they? SOOO chocolatey! It's like taking a bath in chocolate chips, after a long day in the fields harvesting cocoa beans. Then, boom! Bazam! It's SO chocolatey, it hurts. It's painfully delicious.

CUSTOMER

Ooooookay.

BILLY

Sam, what are you doing?

SAM

It's like being pummeled by 1,000 tiny chocolate fists. Bam! Bam! Bam! Bam! Delicious!!!

CUSTOMER

Maybe I'll pass.

The customer heads toward the door. Sam runs around and blocks him from leaving.

SAM

How can you pass? It's like a chocolate nose bleed!!!

BILLY

Okay, Sam, I think we get it. They're delicious.

SAM

Oh! It's more than delicious! It's like a chocolate nightmare! But awesome!

The customer tries to fake left and go right. Fake right and go left. Must get out the door. Sam blocks each turn.

SAM (CONT'D)

I mean, they're A. Mazing!!! It's like you're running through a forest of chocolate trees, and chocolate leaves are slapping you in the face. In a good way!!

Billy runs interference for the customer. Sam heads them off at every pass.

SAM (CONT'D)

It's like running through a door of chocolate glass, and the chocolate shards are stabbing your eye. In a good way!!!

CUSTOMER

I don't know that I want food stabbing my eye.

BILLY

Sam, will you please go to the back? Go sweep up or something.

Billy shuffles Sam to the back.

BILLY (CONT'D)

Sorry about that. Trust me, they're all good. Very delicious. And non-violent.

CUSTOMER

They do look delicious. I'm just not sure. What about the milk chocolate kind? How are they?

Sam's head peeks out through an air vent.

SAM

They're SO amazingly delicious, it's personal. It's like chocolate got a hold of your diary and is reading it out loud-- to all your friends!!! Embarrassingly chocolatey!!

Billy re-covers the vent.

BILLY

Sam!

Sam recedes back into the vent.

CUSTOMER

I'm just not sure. What about the mocha
choco-ccino?

Sam lowers, upside-down in a harness, like Mission
Impossible.

SAM

It's like you're riding a chocolate
shuttle, and getting bombarded with
chocolate meteors! Aaaaugh! We're going
down. But I love it!!!

CUSTOMER

Okay! Okay! I get it. Give me a dozen
and let me go!

Customer runs out the door with a box of cupcakes.

CUSTOMER (CONT'D)

Whew!

INT. CAR - LATER

The Customer drives home with son.

CUSTOMER'S SON

Oh, ggod, you got cupcakes. How are
they?

Sam pops up from the backseat.

SAM

Ooooh, they're so delicious! It's like
jumping on a chocolate trampoline under a
chocolate ceiling fan. Higher! Higher!
Oooh, my head came off! Delicious!!

CUSTOMER

Aaaaauuuuuggggghhhhh!!!!!!
